Message:

Mr. Aaron Low:

Please report the following for each television channel you are requesting to use:

1. Television channel number.
2. Antenna location site elevation above mean sea level in meters.
3. Overall tower height above ground level in meters.
4. Height of radiation center above ground level in meters.
5. Maximum effective radiated power in kilowatts.
6. Transmitter output power in kilowatts.
7. Verify that the antenna is nondirectional.
8. If the emissions are digital, then report the out-of-band emission mask (simple or stringent).
9. If the emissions are analog, then report the frequency offset (zero, plus, minus or none).

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of September 29, 2006 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
