Re: Permanent Application Request
Call Sign: KS2XAQ

We, the Lockheed Martin Corporation, are formally applying for a permanent authorization for the current Special Temporary Authorization, **KS2XAQ**, for operations near **Syracuse, Onondaga County, NY**. You will please find enclosed a completed FCC Form 442, Application for a New Station, with the required FCC License processing fee, **\$45.00**, attached.

This request is to replace our current temporary authorization **KS2XAQ** with a permanent experimental station for the exact same equipment and technical parameters. If you should have any questions relating to the program or technical data, please feel free to call **Harry Rothenhoefer on (315) 456-3089**. If you have any questions relating to the application, please call the undersigned on **(410) 682-0156**.

Very Truly Yours,
