Re: Request for New Experimental Station Authorization

You will please find enclosed one completed copy of FCC Form 442, Application for a New Experimental Radio Station Authorization, with the required license processing fee, **\$45.00**, attached. This request is for operations at 16.5 Ghz at various test ranges and facilities around the Continental US, see **attached listing of operating locations**.

If you should have any problems or questions, regarding this application, please feel free to call the undersigned on **(410) 682-2156**. If you should have any technical questions regarding this program, please call Charles Partin on **(407) 356-4862**.

Very Truly Yours,

Claude E. Wells
