Re: Application for a New Experimental Station  
FCC Form 442

You will also find a completed copy of FCC Form 442, Application for a new Experimental Radio Station Authorization under Part 5, with the required FCC license processing fee, **\$45.00**, attached. This request is for a new authorization for E-TCAS testing operations on **1090 and 1030 Mhz** at our flight test areas. If you should have technical questions regarding this request, please feel free to call **Robert Thompson** on **(770) 494-2893**.

If you should have problems or questions, regarding the completion of these two applications, please feel free to call the undersigned on **(410) 682-2156**.

Very Truly Yours,

  
Claude E. Wells
