Re: Modification of Authorization Application
Call Sign: WA2XNH File No.: 5818-EX-PL-98

You will please find enclosed one completed copy of FCC Form 442, Application for Modification of Radio Station Authorization Under Part 5 - Experimental Radio Service, with the required completed FCC Form 159 and FCC license processing fee, **\$45.00**, attached. This request is for the modification of our recent granted Experimental Radio Station Authorization, **WA2XNH**, for operations at our facilities located near **Orlando, Orange County, FL**.

The modification being requested at this time is to change the authorization from a fixed station operation to fixed and mobile operations. The mobile area of operations being requested at this time is for a 10 mile radius of operations around the fixed site, previously granted on the original request. All remaining technical and administrative parameters of this authorization remain unchanged at this time. The only exception is in the name of the Program Manager and telephone number. The new manager is **Dan Amarr** and his telephone number is **(407) 356-6086**.

If you should have any problems or questions regarding the technical aspects of this request, please feel free to call Dan Amarr at the number noted above and on the application. If there are any questions, regarding the completion of this application, please feel free to call the undersigned on **(410) 682-2156**.

Very Truly Yours,
