COMMISSION**

Special Conditions:

- (5) Protection of Space and Earth station authorizations granted by the FCC are required. Applicant must operate on a non interference basis and can not claim protection from interference. A list of current authorizations can be found by conducting an advance search for current authorizations in the band 1625.5-1660.5 MHz at: <http://licensing.fcc.gov/myibfs/pointSearch.do>
Use of satellites must be agreed upon with each satellite operator.
- (6) This authorization is issued for the express purpose of conducting experimental operations described in the related application and required by the U.S. Government; contract numbers: W15P7T-06-C-T004 , W15P7T-12-C-C015. The use of this radio station in any other manner or for any other purpose will constitute a violation of the privileges herein authorized. Except as subsequently authorized by the Commission, this radio station shall not be operated after the expiration date of the contract designated in the related application and enumerated above.
