Subject: Request for Info - File # 0164-EX-CM-2026

Message:

Please attach the human RF exposure assessment for this location. Be sure to address the following questions:

1. What is the size and layout of your operating area, and is it fully controlled during operations?
2. Can you guarantee that no members of the public will be within 120 meters of the operation at any time?
3. Do you have physical barriers, access controls, or procedures in place to enforce the 120 meter exclusion zone?
4. Have you documented how you manage or monitor public access during operations?
5. Are there any nearby roads, walkways, or public spaces that could fall within the 120 meter radius?

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of July 30, 2026 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
