Subject: FCC File No. 0401-EX-PL-2011

---

Message:

(1095.238095 MHz and 1096.774194 MHz) and (1539.68254 MHz). If there is no need for these frequencies, please remove them. Upon review by the program it was determined the program can move forward with the remaining channels, so these three channels have been removed from this filing.
