Mr. Kennedy:

In connection with our telephone conversation on this matter, please cancel the above-referenced application for extension of experimental STA filed on behalf of LoJack Corporation. As you explained, because LoJack Corporation filed an application for permanent experimental authority (0176-EX-PL-2005) at least 15 days prior to the expiration of its existing STA license (0663-EX-ST-2005), it can continue to operate on that STA until the OET makes a determination on its underlying application for permanent authority to operate the facilities, in accordance with 47 CFR 5.61(b) of the Commission's rules.

We thank you for your continued support of this application process.

Best wishes,

Ryan N. Terry
