Acting Chief,
Office of Engineering & Technology
Federal Communications Commission
Via electronic submission

RE: WQ9XDP, Satellite transmission notification

Dear Mr. Repasi,

This letter serves as notification to meet Special Condition #4 of Experimental License WQ9XDP that transmissions have commenced from our satellite.

We are grateful for you and your team's continued efforts as we continue to test and prove out our technology.

Best Regards,

Tony DeTora
VP, Government Affairs
