M/A-COM

March 1, 1999

Dear FCC:

Please find M/A-COM's Application for Renewal of Radio Station Experimental license, Forms 159 and 405 with the required \$45 check enclosed.

Please be advised that M/A-COM has changed its legal status from a subsidiary to a division of AMP Incorporated. As of October 1, 1997, M/A-COM, Inc. began operating as M/A-COM, a division of AMP Incorporated. This step is part of AMP's global structure optimization process.

There were no changes in control of M/A-COM. M/A-COM will continue to provide the highest quality level of products and services as before. M/A-COM, division of AMP Incorporated, honors all existing commercial and legal agreements. Your M/A-COM contacts and representatives remain unchanged. M/A-COM's facilities, addresses, *telephones and faxes, etc. are also unaffected by this action.

If you have any questions, please feel free to contact me at 978-442-4607.

Sincerely,

A handwritten signature in black ink, appearing to read "Roy J. Hebert", is written over the word "Sincerely,".

Roy J. Hebert
Director Business Development

*Some area codes in Massachusetts have changed. This affects only the following operations: Area Codes for M/A-COM's Amesbury and Lowell locations will be 978 (instead of 508). Burlington and Waltham will be 781 (instead of 617). Watertown will maintain its 617 area code.
