Subject: FCC File# 0674-EX-PL-2006

Message:

I recently received a letter stating that my application has been canceled due to the lack of a response to a previous email (from Oct 07), which I have unfortunately just found in my spam folder. Do I now have to reapply? Our licenses, which expire May 1st, cover transmitters used for a funded oceanographic research project which is in progress. Please advise on the best course of action.

Regards,
Brian Emery
