Subject: FCC File No. 0850-EX-ST-2021

Message:

It appears you have filed 2 experimental STAs that are identical (0850- and 0849-). Please select which one should be considered. Furthermore, you need to enter emission designator for the proposed frequency. Please go back to your STA and provide the required parameters. (The Emission designator of the transmitter composed of bandwidth and emission type. Emission designators consist of 7 characters, the first 4 of which define the bandwidth of the signal; the last 3 define the type of modulation, nature of the signal modulating the carrier, and the type of information being transmitted.)

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of May 27, 2021 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
