

Has applicant or any party to this application had any FCC station license or permit revoked or any application for permit, license or renewal denied by this Commission?

If "YES", include as an exhibit a statement giving call sign of license or permit revoked and relate circumstances.

We originally received a Special Temporary Authority (0010-EX-ST-2016, confirmation number EL465422) for operation. Testing is taking longer than expected and the STA is expiring in August, so we tried to renew for another 6 months by submitting a new STA. However, that was not the case, and it was denied. We were instructed to complete the Form 422, which we are doing now.
