

Renewal of experimental license WD2XJP

This application is fee exempt.

The application is filed by a state university for the purpose of completing federally-funded research grants and contracts.

The requested license is necessary to perform research under National Science Foundation grant AGS-0937768 to the University of Massachusetts Amherst. This grant supports research and development of mobile radar systems for the study of severe storms, tornadoes, and other phenomena. The cognizant program director is Dr. Bradley F. Smull (bsmull@nsf.gov).
