Dear Sir/Madam:

On behalf of Matsushita Communications Industrial Corporation of America ("Matsushita"), we are filing its application (FCC Form 405) for renewal of its Experimental Station KM2XNA. Attached to the application is a check for \$45.00 in payment of the filing fee.

Matsushita is a manufacturer of radio equipment and has a need to test and demonstrate such equipment on a continuous basis. Therefore, a full term renewal is requested.
