Message:

Please complete the transmitter data portion of the application giving the frequency, emissions and power you are requesting. Do you have a callsign or filenumber for the previous license that is referenced in the exhibit. If you are planning on using GPS frequencies you must also get approval from the regional FAA office.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of March 03, 2004 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
