Importance: High
Mr. Bradley Holmes,

Please see the two attachments containing questions concerning application 0160-EX-PL-2004. Please note that a start date of August 15, 2004 may not be possible now and it may be necessary to request a later start date, August 25, 2004 for example, to allow NTIA coordinators at least 10 working days to evaluate this application.
