Re STA Correspondence Reference Number: 28857

Dear Mr. Ghaffari,

I wanted to follow up with you and see if you had any additional questions regarding MC10's STA application or if you needed any other information concerning our requested number of units. We are eager to start our experiments September 1, 2015 with the STA in place; any insights or updates you can give would be greatly appreciated. Should you have any concerns, please don't hesitate to contact me. Thanks very much.

Best Regards,

Milan Raj
