Western Area Frequency Coordinator Fax: 805-989-4854

We request that AFTRCC be notified of the dates of actual operation and that FCC add the following to your license:

"Use of this frequency is subject to prior coordination with AFTRCC Frequency Advisory Committee, PO Box 2307, Seal Beach, CA, Telephone (316) 523-1004."

This recommendation is advisory only and not binding on you or the FCC. This does not constitute a judgment that a frequency is best suited to your purpose nor that the assignment is exclusive to your company. In utilizing this recommendation, your company agrees to release and hold harmless AFTRCC, its officers, directors, members, agents and representatives in any claims, losses or expenses which may arise as a result of your company's use of these frequencies.

This recommendation will be valid for 90 days from the date of this letter. An updated letter should be requested if your license application has not been filed with the FCC within the 90 day period. Please attach the original yellow letter to your license application for filing with FCC.
