

ATTACHMENT A – November 17, 2003

The renewal application (File No. 0074-EX-RR-2003) for Experimental License 0005-EX-ML-2002, issued to MDS America, Incorporated, is in pending status as of November 17, 2003. It cannot therefore be amended or renewed under the Electronic Licensing system. Following procedural discussion with Commission staff as to the appropriate filing procedure given the constraints of the filing system, this attachment is being filed in File No. 0074-EX-RR-2003, which covers the pending renewal application.

On behalf of MDS America, Incorporated, it is hereby requested that the experimental license be extended for a further six months, until May 31, 2004. No other changes in the license are requested.
