Subject: Request for Info - STA File # 0261-EX-ST-2002

Message:

I do not need exact test dates, just something shorter than six months and as defined as you can give me. What you sent in your last email should be good enough. You need not file separate STAs for each device; just one STA for each group of equipment confined to time periods that you define as best as you can. All you need to change on your STA is the requested time period. Use the Amend Application feature from our filing site and choose Administrative Data when given the choice. Reply to this email when you have amended the dates.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of July 23, 2002 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
