Message:

You are requesting non-government broadcast frequencies to test for a government contract. It will be difficult to obtain approval for your request. Please justify why you need to operate on these frequencies and provide a frequency study of how you will be able to avoid interference to existing licensees in these bands. It may be favorable to consider more appropriate frequencies for your testing.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of April 22, 2004 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
