Hello Mr. Trevino:

Please accept this e-mail as a notice to renew our Experimental License #0009-EX-ST-2007 at the Vista California location for a period of six (6) months. We understand that an extension of operation beyond the six months requires us to file Form 442 fifteen (15) days prior to the initial six month expiration date.

We also request that we be permitted to operate in the Greater Washington, DC area within a radius of seventy-five (75) miles for a period of six months.

Thank you. Please do not hesitate to call me at (760) 845-1874 or (760) 560-0348 with any questions. Or you may e-mail me bbrown@metricsystems.com

Sincerely,
