RE: Transfer of Experimental Authorizations to Ricochet Networks, Inc. a
subsidiary of Aerie Networks, Inc. from Metricom, Inc.

Pursuant to the purchase of Metricom, Inc.'s assets by Ricochet Networks, Inc. a subsidiary of Aerie Networks, Inc. on November 2, 2001, Ricochet requests the transfer of Experimental Authorizations to Ricochet Networks, Inc. This transfer is pursuant to the Asset Purchase Agreement between Metricom and Ricochet dated October 18, 2001.

I have visited your website and downloaded the applicable applications for each Experimental Authorization. It appears that several authorizations have expired. Please transfer any that can be transferred to Ricochet Networks, Inc.

Please feel free to contact me if you have any questions. Thank you for your assistance in this matter.
