Re: Metricom, Inc., Application for Experimental
Authorization to Cover Testing of Non-Type-Accepted
WCS Equipment

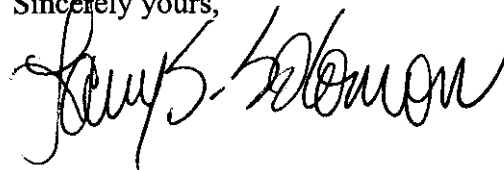

Ladies and Gentlemen:

Transmitted herewith, on behalf of Metricom, Inc., is an Experimental Application on FCC Form 442 requesting authorization to test WCS equipment. As is explained in the application, Metricom purchased licenses at the WCS auction and is currently developing equipment to operate in the WCS bands.

Associated with this application is a Form 159, and the requisite filing fee.

Please have the extra copy of this application "stamped-in" and return it in the self-addressed, postage prepaid envelope. If there are any questions in connection with this matter, the Commission is respectfully requested to communicate directly with the undersigned.

Sincerely yours,

A handwritten signature in black ink, appearing to read "Larry S. Solomon". The signature is fluid and cursive, with the first name "Larry" and last name "Solomon" clearly distinguishable.
