Comments:

Doug,

Please find attached a courtesy copy of an amendment to the pending application of metro telecom, inc. (FCC File No. 0008-EX-P/L-1998). The amendment replaced Exhibit No. 1 to the application in order to correct some clerical errors on geographic coordinates. I will be filing the original signed copy of the amendment as well as the requisite number of copies with the Office of the Secretary.

This application was filed way back in October of 1998 and I am now getting frantic calls from my client almost every day about its status. Anything that can be done to expedite the processing of the application would be greatly appreciated. If there is any additional information you require or if I can assist you in any way, please call me and/or send me an Email (rjk@telcomlaw.com).

Thank You
