To Whom It May Concern,

Regarding STA File # 0534-EX-ST-2014

My apologies for any confusion,

Could you please cancel this STA, the applicant, MI8 decided to change the FRN they wanted to use from the City of Hollywood's to their own.

I attempted to make this change on the application, but could not find any place to do so, so I filed out another application (0537-EX-ST-2014).

Sorry for the confusion and inconvenience.
