January 11, 2001

To: FCC Experimental Licensing Branch:

Attached please find our Application for an Experimental Radio License to replace our previously held license with call letters KM2XJN which has expired.

This license will be used to develop new and/or improved radios and to test and/or to develop better reliability and enhanced features for our systems and to assist our customers in applying our radios to meet their needs.

**If you have any questions please give me a call
at 978 - 671 - 5813 or send a FAX to -5903 or an
E-Mail to dshannon@mrcbroadcast.com.**

Sincerely ;

Richard Shannon
**Richard Shannon
Senior System Engineer**
