Message:

Dear Mr. Daniel Shine:

Please report the geographical coordinates of the center of mobile operations.

Please report the PEAK effective radiated power (ERP). Since the requested 30 watts Mean ERP is rather high, and since it is anticipated that the Peak ERP will be higher, please reduce the Peak effective radiated power below 30 watts or explain why such a high Peak effective radiated power is needed for demonstrations at the convention center in Las Vegas, NV. Also, please indicate if the demonstrations will be performed exclusively indoors, exclusively outdoors or both indoors and outdoors.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of March 30, 2005 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
