Date: March 27, 2014

Subject: FCC File No. 0253-EX-ST-2014

Message:

1. The content of the application (frequency band, emission, location, coordinates, and ERP) cannot be kept from public inspection. With your consent we'll remove the confidentiality from the application; however, the requested attachments remain hidden, if any?

2. As I stated on my previous email paragraph 3, in accordance with CFR 47, Part 0.459(b), please submit your statement in Question (Q) and Answer (A) format to those 9 questions under the Part 0.459(b).

In addition, you will need to update the intended dates under the "Purpose of Operation" and "Why STA is necessary". Currently you have entered:" - Planning to perform proof of concept balloon demonstration over Mojave Desert in January-February 2014 to support both DoD DARPA SeeMe and USA SMDC Kestrel Eye Programs
- Original January-February 2014 test dates postponed until better weather conditions occur.",
January-February?

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of March 27, 2014 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
