Hi Travis,

After reaching (<https://apps.fcc.gov/oetcf/els/forms/ReturnTo159.cfm?isSubmitted=True>) and entering the file & confirmation number. I am faced with a "Proceed to registration" button which links me to a login page for CORES. Upon logging into CORES, I am faced with a page that tells me I have no remittances to pay. I do not see how to enter either the file or confirmation number on this page to continue. Can you assist? Thanks,
-David
