Mr. Ghaffari,

Reflecting our phone conversation, we do not need confidentiality for our OET filing. The file number is 0265-EX-PL-2013.

Also, see attached for the PrintSat SpaceCap. I zipped it and changed the extension to *.xxx. It is my understanding that a Microsoft Access file will not make its way through your email server.

Thanks,
Nathan Fite

Date of Original Email:

You have selected some of attached documents to your application to be kept confidential. If this is correct, please submit a confidentiality request in accordance with the rules in CFR 47, Part 0.459(b) that lists nine items. Please attach your response in Q and A format, and list those attachments need to be withheld from general public viewing in response to item number one. The intended confidentiality request letter cannot be kept confidential; therefore, please do not include any confidential material in this letter. If this is an error, the confidentiality can be removed with your consent.

The items indicated above must be submitted before processing can continue on the above referenced application.

Failure to provide the requested information within 30 days of 04/17/2013 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.

DO NOT Reply to this email by using the reply button. In order for your response to be processed

expeditiously,
you must upload your response via the Internet by visiting [The
OET Experimental Licensing System](#), followed by clicking on the "Reply to Correspondence" hyperlink.
