Subject: FCC File No. 0542-EX-CR-2020

Message:

The main purpose of filing renewal application is to extend the duration of operation for an active experimental license. To request for parameter changes please submit a modification application (Form 442). Furthermore, please make sure with your mod application a supporting document is attached describing the purpose of the changes.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of September 16, 2020 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
