Re: Renewal of Experimental License KC2XAJ

Gentlemen:

Motorola Inc, 8000 West Sunrise Boulevard, Fort Lauderdale, Florida 33322, herein submits its renewal application for Experimental License KC2XAJ.

This license is required so that we can continue to test radios that are not FCC authorized or are in the process in being FCC authorized. It is being used to develop new products and also to further refine existing product lines.

The number of radios would not exceed 50.

Please contact me at 954.723.5793 if you require any additional information.

Sincerely,

/s/ Mike Ramnath

FCC Liaison
