Dear Ms. Salas:

Enclosed for filing on behalf of Motorola, Inc. is an original and two copies of an application for an experimental license on FCC Form 442. The purpose of the requested experimental license is to test future customer user equipment for the Teledesic System. Also enclosed is a frequency coordination report, demonstrating that the proposed testing will not cause harmful interference to any authorized user of the relevant spectrum.

Included with this filing is a check made payable to the FCC in the amount of \$45.00 to cover the applicable filing fee, accompanied with a FCC Form 159. If there are any questions concerning this application, please contact the undersigned.

Sincerely,

Tekedra V. McGee
Counsel for Motorola, Inc.
