Mr. Kennedy,

As discussed, this is to authorize you to delete the references to the band 150-170 MHz from the above-referenced application and replace those references with the bands 150.8-157.0375 MHz, 157.1875-162.0125 MHz and, if necessary, their associated mobile channels. Motorola's proposed operations will require both fixed base stations and mobiles.

Thank you for your assistance with this matter.

Respectfully,

Kurt E. DeSoto
