File No. 0308-EX-ST-1999
Application for Renewal of STA

To the Commission:

On behalf of Motorola, Inc., electronically transmitted herewith is an application on FCC Form 405 for renewal of the above-referenced Special Temporary Authorization ("STA"). The STA was granted on October 22, 1999, and is scheduled to expire on April 22, 2000. Motorola requires a renewed STA so that it may continue the program of experimentation as described in the original STA request. Motorola is eligible for the requested renewal because it has filed an application for regular authority to replace the STA, in accordance with Section 5.61(b) of the Commission's rules.

The filing fee for this application, along with a completed Form 159 remittance advice worksheet, will be submitted in accordance with the Commission's rules.

If you have questions, please call me at (202) 719-7235.

Respectfully submitted,

/s/
