SUBJECT: Motorola-Experimental License- KI2XCF

Hi Doug,

I hope you can help me (how often have you "heard" me say that?).

October 31st the renewal for call sign KI2XCF was sent to Mellon Bank. The \$50 check (#321822) attached to the renewal was suppose to be for the attached modification/renewal of KI2XCF. (The salesman is charge of this recently had surgery and is out of the office, in case you are wondering how this mix up occurred).

Would/could you please use the \$50 toward the modification/renewal?

As always, thanks much!

If I have you totally confused, do not hesitate to give me a call (717) 334-0921.
