Date: July 01, 2003

Subject:

FCC File #: 0229-EX-ST-2003

Message:

The requested frequency range is 2137.5-2142.5MHz. If for some reason this channel is not available, our equipment can be configured to use any 5MHz channel within the 2110-2170MHz band.

Thanks,
Greg Agami
