FROM: **KAY BLACKMORE**
DATE: *10/*
SUBJECT: *Exp. License*

MESSAGE:

Recently I sent you an experimental application for freq. bands 1805-1880 and 1710-1785.

John Duro phoned me and ask me to let you know they do not need the entire band - only 5 MHz is necessary. Any questions should be directed to John at (408) 632-2836. (copy of appl. following)
Thanks!
