Re: Motorola, Inc.
Amendment to Application Filed March 7, 1997,
for Authorization to Operate Experimental
Radio Facilities Under Part 5

To the Commission:

On behalf of Motorola, Inc., transmitted herewith is an amendment to its application filed March 7, 1997, seeking authorization to operate Experimental Radio facilities under Part 5 of the Commission's Rules.

Please call me at (202) 429-7235 or David E. Hilliard at (202) 429-7058 should you have any questions concerning this matter.

Respectfully submitted,

Kurt E. DeSoto
Counsel for Motorola, Inc.

Radio Facilities Under Part 5

April 17, 1997

To the Commission:

Motorola, Inc., hereby amends the above-referenced application to withdraw the request for confidentiality contained therein. Motorola has determined that confidentiality is not needed at this time, but reserves the right to seek such treatment should it be necessary for any additional information that may be required by the Commission.

Should you have any questions concerning this matter, please call me at (817) 245-6231 or our FCC counsel, David E. Hilliard or Kurt E. DeSoto of Wiley, Rein & Fielding at (202) 429-7000.

Respectfully submitted,

Ronald C. Johnson
