Hello Behnam,
how are you doing? I just wanted to check the status of Movandi's application. I checked the status online and it showed the application as "pending". Is that normal? Do I need to fix anything? Your help is appreciated.

warm regards,
Heidar

Hello Behnam,

I have modified the frequency's from our application. I have taken out the other bands that are problematic. I hope all is complete now.

warm regards,
Heidar
