Date: May 18, 2021

Subject: FCC File No. 0761-EX-ST-2021

---

Message:

The application has been amended to delete the frequencies 159.0625, 159.1125, 173.3375 and 460.1625 (all in MHz), so that no conflict with incumbent public safety entities is possible.
