Application Narrative for Proposed Equipment

Proposed Program

Mueller Systems, LLC is proposing GPS within their lab facility for testing purposes.

Objectives

We seek to accomplish the following objectives:

1. Illumination of the part of the lab facility, located at 620 Industrial Drive SW Cleveland, TN 37311 with a GPS signal to allow for the testing and experimentation indoors for continued exploration of utilizing GPS technologies within their electronic devices to provide innovative applications and continue to provide safe products.
2. Further design, development and enhancement of existing GPS applications to provide greater efficiency and more effective means of utilizing GPS derived information.
