Application Narrative for Proposed Equipment

Proposed Program

Mueller Water Products is proposing GPS within their laboratories for testing purposes.

Objectives

We seek to accomplish the following objectives:

1. Illumination of the labs in our facility, located at 1200 Abernathy Rd Suite 1200, Atlanta, GA with a GPS signal to allow for the testing and experimentation indoors for continued exploration of utilizing GPS technologies within their industrial water systems to provide innovative applications and continue to provide safe products.
2. Further design, development and enhancement of existing GPS applications to provide greater efficiency and more effective means of utilizing GPS derived information
