Tony,

I have made contact with the appropriate individuals in the Air Force. They are going to handle this for us. You can remove this request from your system.

Thanks for you help.

As we discussed on the telephone, since your application involves an Air Force contract, then AF typically will handle this. Our FCC liaison Jeffrey Kam 202-418-2413 can give you the contact person at Air Force. I will leave the application pending. Let me know if Air Force will handle this or if they want you to come through us. If you have any further questions, I can be reached at 202-418-2456.
