To ensure proper review of your request for a market test please provide the following additional information.

1. We will need a NOAA determination and approval for any operation of cameras aboard the cubesats.
2. Please provide a tentative schedule of cubesat construction, launch integration dates and proposed launch dates and providers. Include the exact number of cubesats that you expect to launch.
3. Please provide any Spacecap analysis data files that have been completed as in your previous license.
4. We encourage you to concurrently contact the FCC International Bureau directly to discuss any current testing and future plans for non-experimental service operation.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of September 13, 2013 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
