Mr. Huie,

I filed an experimental application on behalf of Navini Networks, Inc.
on
January 13, 2003 (File number 0016-EX-PL-2003). I have now been asked
to
have this application withdrawn, and was hoping you could please advise
me on what I need to do to have the application withdrawn.

Thank you for your time.

Sincerely,
Karla Huffstickler
