Message:

Dear Mr. Larry Zhou:

Please submit an explanation of purpose of operation (technology description, demonstration plan, etc.), an interference analysis, published (as opposed to confidential) equipment parameters (such as frequency stability, max power, etc.), published antenna characteristics (such as beam width, lobe suppression, etc.), and path calculations.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of February 01, 2006 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
